UPDATE ON HAITI RECOVERY

By David Gury

St. Gregory's parish has been most generous with giving to the South Florida Haiti Project in support of Ste. Marie Madeleine Parish and School. To date \$34,000 has been received for the project. Also, St. David's in Wayne PA, sent \$12,000. Included with their offering is a \$50 gift certificate from a boy who received it as a Christmas gift and he wanted to give it to Haiti. This is sacrificial giving! In addition, a gift of \$17,700 was given to complete payment for the new Friends House in Bondeau. This will be sent as soon as the bank is up and running.

This week we learned that at least 1000 migrants have come to Bondeau. They are fleeing Port au Prince and must be fed and cared for. The Executive Committee committed a portion of the money received to double the feeding program from \$20,000 a year to \$40,000 to feed not only students and teachers, but also adults and migrants as well. Food can be purchased in Miragoane and delivered to Bondeau for preparation in the school's kitchen. Also approved is \$6,000 to build latrines for the expanded population at the school and to replace inadequate existing ones.

Of urgent need is a good sturdy vehicle for Pere Kesner to continue in his efforts at Bondeau. The truck acquired six years ago is beyond repair. The cost for such a new vehicle delivered in Haiti is about \$50,000. Assistance in funding this cost will be greatly appreciated.

Deacon Anita has plans to travel to Haiti the middle of this month and stay in Bondeau for a month. This will provide some first hand help for the school and community of Ste. Marie Madeleine. Please pray for Deacon Anita's mission.

To learn more about Ste. Marie Madeleine Church and School, go to South Florida Haiti Project web site, www.southfloridahaitiproject.org. We continue to need your support for this project.
