### UPDATE ON HAITI RECOVERY

St. Gregory's parish has been most generous with giving to the South Florida Haiti Project in support of Ste. Marie Madeleine Parish and School. At least 1000 migrants have come to Bondeau. They are fleeing Port au Prince and must be fed and cared for. The Executive Committee committed a portion of the money received to double the feeding program from \$20,000 a year to \$40,000 to feed not only students and teachers, but also adults and migrants as well. Food is being purchased in Miragoane and delivered to Bondeau for preparation in the school's kitchen. Also, we approved \$6,000 for building latrines for the expanded population at the school and to replace inadequate existing ones.

Of urgent need is a good sturdy vehicle for Pere Kesner to continue in his efforts at Bondeau. The truck acquired six years ago is beyond repair. The cost for such a new vehicle delivered in Haiti is about \$50,000. Assistance in funding this cost will be greatly appreciated.

This week please pray for Deacon Anita's mission trip in Haiti. To learn more about Ste. Marie Madeleine Church and School, go to South Florida Haiti Project web site, [www.southfloridahaitiproject.org](http://www.southfloridahaitiproject.org). We continue to need your support.
