Bishop Leo Frade's Prayer Request for Oil Spill

I urge you to include in all your regular worship services prayers for the fragile ecosystems around us and specifically for this present threat to our environment. You may want to use this prayer, adapted from the Prayer for conservation of Natural Resources (BCP, p. 827) by the Rev. Canon Beverly Gibson, sub-dean of Christ Church Cathedral, Mobile, Ala.:

We pray today for the preservation of our natural environment, especially the Gulf of Mexico and the lands and waters it touches: Guide those who labor to contain the oil that endangers the creatures of sea and land; strengthen those who work to protect them; have mercy on those whose livelihoods will suffer; forgive us for our carelessness in using the resources of nature, and give us wisdom and reverence so to manage them in the future, that no one may suffer from our abuse of them, and that generations yet to come may continue to praise you for your bounty; through Jesus Christ our Lord. Amen
